Private Box

your mail anywhere

Why get an **online** postal box?

Stay connected – Wherever you are, you can get your mail.

No physical address needed – Read your mail online, anywhere.

Complete remote control – Control your mail online in real-time.

Privacy assured – Your information guaranteed secure.

Say goodbye to paper – We recycle your unwanted mail for free.

On the move? Private Box is your postal solution.

We can forward your mail internationally to any destination.

If you don't have a permanent residence then you can read it online.
