

This is to acknowledge that:

Private Box Limited

has taken voluntary action to offset unavoidable carbon emissions through the Toitū Envirocare offset calculator by supporting carbon reduction projects including native forest restoration, renewable energy and energy efficiency. We all have an important part to play in the transition to a sustainable low carbon economy through measuring, reducing and offsetting our carbon emissions.

Number: CZ1036169

Type: Low emission cook stoves

Number of carbon credits cancelled: 10.4

Date issued: 30 June 2022

The offset calculator is operated by Enviro-Mark Solutions Limited (trading as Toitū Envirocare).

Use of the calculator is subject to the Terms and Conditions published in the calculator.

This acknowledgement of offsetting covers the time period and activities selected by you and recorded in the calculator.

The data you have provided and any carbon claims made by you have not been certified.

Please refer to www.toitu.co.nz for more information.

	Tonnes	Unit Price	Total
<u>Carbon credit offsets from Toitū Envirocare</u>	10.4	\$21.30	\$221.57
		Subtotal	\$221.57
		GST	\$33.23
		Total	\$254.80

CONDITIONS OF ISSUE

- This acknowledgement has been issued by Toitū Envirocare on the basis of carbon dioxide equivalent (CO₂e) emissions calculated from the data provided by the acknowledgement holder.
- This acknowledgement is issued to cover the time period and the activities selected by the acknowledgement holder and recorded in an application form.
- Toitū Envirocare has not audited the data provided and does not warrant the accuracy of any claims made by the acknowledgement holder. Accordingly, this acknowledgement should not be used to make a carbon neutral claim.
- Ownership of the carbon credits has not been transferred. The carbon credits have been cancelled on behalf of the acknowledgement holder. The cancelled carbon credits can not be traded — to do so would invalidate their carbon neutral status.
